

**FEEDBACK FORM**

The goal of the *District of Columbia Pedestrian Master Plan* is to make the District of Columbia **safer** and more **walkable** by improving sidewalks, roadway crossings and the quality of the pedestrian environment. Your input is critical to help develop a plan that addresses the needs of people walking throughout the District. Please complete this form while reviewing the presentation boards and maps.

**1. What is the most critical issue that people face while walking in the District of Columbia?**

\_\_\_\_\_

**2. Looking at the *Neighborhood Sidewalk Deficiency Map (Board #2)*, do you know of any other sidewalk gaps that are not shown?**

*If yes, where?* \_\_\_\_\_

\_\_\_\_\_

**3. Looking at the *Proposed Priority Pedestrian Study Area map (Board #5)*, do the highlighted corridors reflect the areas of the city with the most pedestrians and the worst conditions for walking?**

\_\_\_\_\_

*Are there corridors highlighted that should NOT be prioritized for pedestrian improvements?*

\_\_\_\_\_

*Are there any other corridors with substantial pedestrian activity and poor or unsafe conditions for walking that you would like to see added to the map?*

\_\_\_\_\_

*Are there any other intersections with substantial pedestrian activity and unsafe conditions for crossing that you would like to see added to the map?*
